

MARRIED

“Dr. Trina’s book has put the yummy back into being a mummy. It has playful ideas, tips and tricks to give married sex back its mojo.” —ERICA EHM, co-creator and host of Yummymummy.ca, author of *She Should Talk: Conversations with Exceptional Women about Life, Dreams and Success*.

“It’s a simple but brilliant and refreshing concept and Trina E. Read has created a practical, extremely readable guide for the millions of women out there who don’t realize just how common their little secret is—that while they still love their partner, their sex life sucks.” —JOSEY VOGELS, sex columnist, author of *Bedside Manners: Sex Etiquette Made Easy*

You’ve settled down with Mr. Right, so why is the sex so wrong? Things were great when you two were single, but now the “I do’s” are the “we don’ts.” You’re too busy, you’re too tired, you’re too stressed, you’re too all of the above. Huh? Why did *that* happen?

Sex educator Dr. Trina Read shows you why in *Till Sex Do Us Part: Make Your Married Sex Irresistible*. It all comes down to the difference between single-woman sex and married-woman sex.

Written in a laugh-out-loud style, *Till Sex Do Us Part* is like a great chat over a bottle of wine with your best girlfriend who’s been there. Dr. Read dishes about how to:

- get rid of your single-woman-sex baggage
- create the sex life that you want
- make your married-woman sex stick
- talk to your man about sex
- make your body your sexual ally

Featuring tons of techniques and well-researched information, *Till Sex Do Us Part* is organized in easy-to-read bite-sized chunks. Personable and positive, Dr. Read shows you how you and your partner can live sexually happy ever after!
